What you need to do

Inconveniences
during the work

Reasons
for this work

- Place your garbage in the bins in the basement.
- Do not park in your parking space behind the building.
- Look out for notices posted on your door and in common areas.

- There will be workers in the building.
- There will be noise and dust.
- There will be **no access to the parking lot until the work is complete**. The contractor needs the parking lot to install the machines.
- There will be **no access to the garbage chute on each floor** at certain times during the work for ventilation. Look out for informational notices.

We need to replace the roof and the ventilation system on the roof. They are no longer in good condition.

Investment: \$1.4M

Thank you for your patience and cooperation!
