To all tenants of Habitations Lavoie,

The **Maison intelligente des Petits Rois** project resulting from the partnership between the Société d'habitation du Québec (SHQ), the Office municipal d'habitation de Montréal (OMHM), *Bâtir son Quartier* (BSQ) and *Fondation Les Petits rois* will soon begin on a small vacant part of the Habitations Lavoie lot (4600 Isabella Avenue).

The purpose of the project is to build a small duplex (first floor and second floor) in a style similar to other buildings on rue Lacombe, with a landscaped backyard.
