What you need **to do**

## 1. Appointment Notice

- Look for notices posted on your apartment door at least **2 days before the work is scheduled to start.**
- It will provide the time and date **of the work to be done in your apartment.**
- **The work will be carried out between 8 a.m. and 5 p.m.**
- **Duration: 1–2 days per apartment.**
- **You may remain in your apartment during the work.**

## 2. Before the work

**When you know your scheduled date:**

- **Remove all items within 1 metre (3 feet) of doors and windows.**
- **Clear off your balcony completely** (follow the instructions included with this document).
- **Remove any obstacles that could obstruct the workers' access.**
- **Workers will need to enter your living room and bedrooms.**

## 3. Presence is mandatory

- Please make sure to be **at home on the day of the work.**
- If you can't be there, ask someone you trust (neighbour, friend, family) to stand in for you.

## 4. In case of absence

- **If no one can be there,** notify the workers or your community organizer as soon as possible.

## 5. Safety

- **Stay away from the site and equipment.**
- **Please respect the safety perimeter.**

## inconveniences during the work

- Parking will not be accessible. Affected tenants will be contacted.
- You will not have access to the balcony during the work.
- There will be noise and dust.
- Pets must be kept in a cage/crate or in another room (the common room will be available if needed).
- There will be workers and equipment on site from 7 a.m.

## Why carry out the work?

- This work is necessary because we need to replace the doors and windows that are outdated.
- The new equipment will keep water and air out of your apartment.
- This will reduce the risk of mould.

**Investments :** \$2,5M

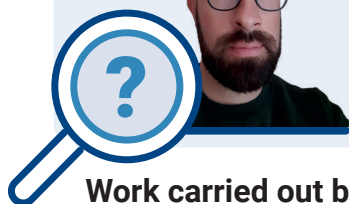

## Important informations

- The laundry room is now available.
- Please do not use the laundry room at 4450, rue Saint-Jacques.
- Your key will be collected later.

**Thank you for your patience and cooperation!**

**Do you have any questions about the work?**
