Hours

Monday to Friday,
between 8 a.m. to 5 p.m.

Entrepreneur

Ventilation Manic Inc.

Get involved

what you need to do

1. **Watch for notices at the entrance of your building** for information about the work.

- **Power interruption:**

A notice will be posted **2 days before a power interruption.**

- **Common room :**

A notice will be posted **2 days prior to the work.** During work, you will not have access to the **common room for 2 days.**

2. Stay away from the site and equipment to avoid an accident.

3. Stay outside the safety perimeter.

inconveniences during the work

- There may be noise and dust.

- There will be workers inside and outside the building.

- **In July 2024,** some tenants will not have **access to the parking** lot on the days the contractor is required to use the crane. They will be notified in advance.

**reason
for this work**

The work on the ventilation system will improve air quality, control humidity and improve your comfort in the building.

The emergency generator is at the end of its useful life.

Investment: 785 000 \$

Thank you for your patience and cooperation!
