

 **Address** : 6900 Côte St-Luc Road

## Beginning of work in your building

We need to do the following work in the basement and the garage:

- Add a recycling and compost room in the garage.
- Replace your current key with a key fob to enter the building and the recycling and compost room.

There will be no work in your apartment.

### New recycling and compost room – in progress

- Construction of a recycling and compost room in the garage.
- Addition of an air conditioner in the recycling, compost, and garbage area.
- Painting of the basement garbage chute area.
- Painting of a lane on the floor to guide people from the elevator to the recycling room.

**Get involved**

What you need **to do**

- **Watch for notices with the exact dates.**
- **Place your garbage and recycling in the bins.** You will not have access to the garbage chutes on each floor while we are painting the room in the basement.
- You can leave your car in the garage while we are painting the lane. **Your liaison officer will contact the people affected.**
- **Attend the information meeting** to learn about how waste management will be done.

### Schedule

## Replacing your current key with a key fob – Spring

1. We will install the key fobs at the main entrance door and the recycling and compost room door.
2. You will all receive a key fob.
3. When everyone has received a key fob, we will activate them and remove the lock.
4. You can still use your intercoms during the work, and open the door for your visitors.

### Get involved

What you need to do

1. Attend the **meeting to learn about the key fobs.**
2. **Watch for** information notices about meeting dates, key fob distribution, key fob activation, etc.

**Get involved**

What you need **to do**  
(next)

3. **Attend** the meeting:

- We will confirm how many key fobs you can receive.
- Every person named on the lease aged 12 and up has the right to a free key fob.
- Extra key fobs cost \$25.
- You can order extra key fobs at the meeting.

**Inconveniences**  
during the work

- There will be workers in the building, mainly in the garage and at the main entrance.

**Reason** for this work

The borough will start compost collection at your address soon, so we will install brown bins in the new room. More information to come. You will receive more information in the next weeks.

We take this opportunity to replace keys with key fobs.

**Investments** : \$230 000

**Thank you for your patience and cooperation!**
