8 a.m. to 5 p.m.

Contractor

Ventilation MANIC

Get involved

What you need to do

1. **Be sure to read all notices posted at the entrance of your building** for information, such as power outages.
2. For your safety, please **maintain a safe distance from the work site** and all equipment.
3. **Respect the contractor's safety perimeter.**

Inconveniences during the work

- There may be noise and dust.
- Presence of workers around the building.
- Access to the parking area will be interrupted when the crane is used. Be sure to read all notices.

Reason for this work

This work is being done to improve air quality and control humidity in the building.

We are acutely aware of the current COVID-19 situation. We are taking every precaution to protect your health and safety. The contractor must follow all currently recommended health measures.

Investment : \$570,000

Thank you for your patience and cooperation!
