## Work update

Hello,

We plan to do some major work on habitations Boyce-Viau's buildings in **2024**, if we get enough funding.

The renovations will be carried out in several phases.

The 1<sup>st</sup> phase of the work, in 2024, will include the buildings located at 2600, 2602, 2604, 2610 and 2612 rue Viau. If we get enough funding, the work may extend to other buildings.

**No moves are planned as a result of this work before 2024.**

Next steps:

- There will be a **meeting this summer**.  
**Watch for the invitation. We are hoping for a good turnout!**  
We will answer your questions.

Back

- We are hiring professionals to prepare the plans and specifications.
- **Your collaboration** is essential if we are to build the project together. The project design phase will take approximately 18 months.
- We will be **consulting with tenants this fall**. We will also consult with the Boyce-Viau Youth Centre and OMHM employees.
- The **1<sup>st</sup> phase of work** will start **around 2024** if we find a contractor to do the work and if we get enough funding.
- **Nobody will be moving as a result of the work before 2024**. If you need to move, we will notify you **at least 6 months ahead of time**.

**Thank you for your patience and cooperation!**
