424 and 430, rue Notre-Dame Est  
435, rue Saint-Paul Est

## Work on the stone retaining wall in the yard

Hello,

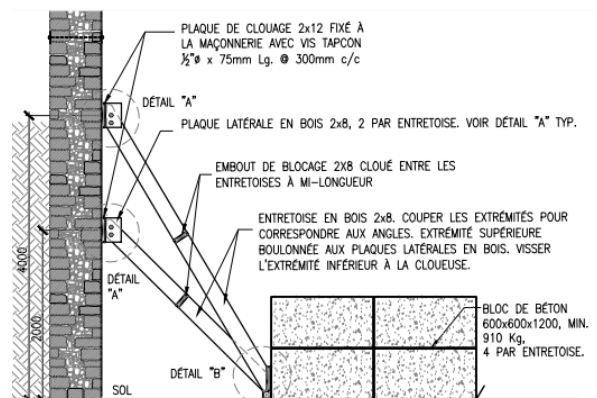

We invite you to a **meeting on Tuesday, September 20, 2022, at 1:30 p.m.** in the common room at 435 Rue Saint-Paul Street Est.

We will talk about the planned work on the wall and answer any questions you may have.

### Common wall in the courtyard

Contractor **Atwill-Morin** needs to **do temporary support work on the stone common wall** to prevent it from falling down.

They will install steel plates, wooden shoring and concrete blocks to support the wall. They will also carry out stone repointing work.

The work will take place from **Monday, September 19 to Tuesday, October 25, 2022**, from 7 a.m. to 7 p.m., Monday to Saturday.

One of our neighbours, an adjoining owner of the wall, is getting this work done with the approval of the OMHM. We are making sure that the work is well coordinated.

**Please note:**

The contractor will use machines. For your safety, please **do not walk around the yard during the day**.

The work will cause noise and dust.

We look forward to seeing you on Tuesday, September 20.

**Thank you for your patience and cooperation!**

**Questions regarding this project?**
