

July 12 elections—see you there!

I would like to share something important with you during this election period for a new member of the Board of Directors. The election is a decisive moment where a representative is chosen to express the collective voice of tenants. This person will be involved in managing living environments.

We all want to live in a safe, comfortable, and enjoyable environment. This election gives you the opportunity to choose someone who will represent you in several forums and who will defend your rights and interests.

By voting for a candidate who shares your concerns and aspirations, you participate in an essential democratic process. Tenant representatives who sit on the Board play a key role in making decisions about improving living conditions and solving potential problems.

Please take the time to read and discuss the applications, as delegates will have to vote on July 12 at 400 Rosemont Boulevard. Members

of tenant associations or the CCR ENHARMONIE, please make sure that your delegates will be present on election day to represent you. Everyone of you has a role to play in OMHM decisions!

Remember that every vote counts! It is essential that delegates show up in large numbers. Don't miss this opportunity to actively participate in community life and make sure your voice gets heard!

Together we can truly make a difference.

Thank you for your commitment and have a great summer!

CANDIDATES FOR A POSITION ON THE BOARD OF DIRECTORS

Nicole Aubé
Résidence Piero-Corti

I want to be involved in my community. Despite my age, I have a lot of energy and I want to take action and do my part to make things better. I want to feel useful. I am a good listener, I am tolerant, and I work well with a team. I have a bachelor's degree in political science from Université Laval. I have served on two boards of directors, for the Amadeus housing cooperative and for TRIP, an organization working with young people in the Centre-Sud neighbourhood. I also sat on the guidance council of Pierre-Dupuis High School. I am very concerned about the need for affordable housing in Montreal and the ability to maintain the quality of services offered to tenants.

Estelle Laliberté
Résidence Lionel-Bourdon

I am a member of the CCR ENHARMONIE and I would like to represent all of the OMHM's senior tenants. I have a lot of experience working with tenant associations and committees, including the recreation committee of my residence. I worked as an accounting technician for 40 years. Numbers don't scare me, I like to understand budgets to see if the money is well allocated. I want the voices of seniors to be heard and respected. I want to promote social and community life in seniors' living environments.

Silvia Rocha
Habitations Sainte-Brigide

Following my experience as Chair of my association and on sector committees for the past 7 years, I would like to become even more involved in the Montreal community by participating in the decisions taken by the Board of Directors. I am very social and I like people, qualities that I developed during my community work in Argentina. My experience has taught me to observe and listen to what senior tenants have to say. Safety is an issue that is close to my heart and a priority for tenants.

Summer means open common rooms!

A reminder to ensure everyone has a wonderful summer: it's important that tenant associations open their air-conditioned common rooms to all residents on very hot days. It provides relief from the heat while promoting good neighbourly relations.
